CITY OF TEMPE,
a municipal corporation

hereinafter called Grantor, for valuable consideration, does hereby grant and convey to **SALT RIVER PROJECT AGRICULTURAL IMPROVEMENT AND POWER DISTRICT**, and agricultural improvement district organized and existing under the laws of the State of Arizona, its agents, employees, contractors, and permittees and its and their respective successors and assigns, hereinafter called the Grantee, and easement in, upon, over, under, across, through and along the lands hereinafter described (such lands hereinafter described being sometimes referred to as the "Easement Property"), to construct, install, reconstruct, replace, remove, repair, operate and maintain underground electrical conductors, conduits, pipes, cables, vaults, pads, switching equipment, enclosures, manholes and transformers and all other appliances, and fixtures (collectively "Facilities") for the transmission and distribution of electricity and for all other purposes connected therewith and for the transmission and distribution of existing telephone, audio and/or visual signal and other communication or data transmission purposes at such locations and elevations, in, upon, over, under, across and along the Easement Property, together with the right of ingress and egress to, from, across and along the Easement Property and with the right to use lands adjacent to said easement during temporary periods of construction.

The lands in, upon, over, under, across, through and along which this easement is granted are situated in the County of Maricopa, State of Arizona, and are more particularly described below and depicted on Exhibit A, attached hereto and made a part hereof:

GRANTOR'S PROPERTY

A portion of the East Half of Section 16, Township 1 North, Range 4 East of the Gila and Salt River Base and Meridian, Maricopa County, Arizona.

EASEMENT PROPERTY

Easement Parcel No. 1

Said easement being 20.00 feet in width, lying 10.00 feet on each side of the following described centerline:

Commencing at the West Quarter corner of the above-described Section 16;
Thence North 89 degrees 34 minutes 04 seconds East (basis of bearings), along the mid-section line of said Section 16, a distance of 72.70 feet to the **POINT OF BEGINNING** of the easement herein described;
thence South 00 degrees 54 minutes 25 seconds West, a distance of 290.35 feet;
thence South 23 degrees 50 minutes 12 seconds East, 95.40 feet, more or less, to a point on the East line of road right-of-way for Priest Drive, Tempe, Arizona, and therein terminating;
thence ALSO from said Point of Beginning, North 00 degrees 54 minutes 25 seconds East, a distance of 230.20 feet;
thence North 65 degrees 49 minutes 37 seconds East, a distance of 157.06 feet;
thence North 63 degrees 21 minutes 06 seconds East, a distance of 134.05 feet;
thence North 60 degrees 31 minutes 48 seconds East, a distance of 303.59 feet;
thence North 57 degrees 40 minutes 34 seconds East, a distance of 63.10 feet to a point within a 50.00 foot by 50.00 foot electrical equipment area, said area being a part of this easement and therein terminating the herein described easement.

Easement Parcel No. 2

Said easement being the East 25.00 feet of the West 100.00 feet of the South 55.00 feet of the North 423.00 feet of the above-described Section 16.

CAUTION: Facilities placed within the Easement Property may contain high voltage electrical equipment. Notice is hereby given that the location of underground electrical conductors or facilities must be verified as required by Arizona Revised Statutes, Section 40-360.21, et. Seq., Arizona Blue Stake Law, prior to any excavation.

Grantor shall maintain a clear area that extends 3.00 feet from and around all edges of all transformer pads and other equipment pads, and a clear operational area that extends 12.00 feet immediately in front of all transformer and other equipment openings. No obstruction, trees, shrubs, fixtures or permanent structures shall be placed within said areas.

Except as expressly set forth herein, Grantor shall not construct, install or place, or permit to be constructed, installed or placed any building or other structure, plant any trees, drill any well, store materials of any kind, or alter ground level by cut or fill, within the area of the Easement Property.

In the future, if Grantor installs cross-fencing or perimeter walls in road right-of-way which impedes access to the Easement Property, Grantor shall provide openings in said walls or cross-fencing to allow Grantee unrestricted access to said Easement Property, at such locations and of such dimensions, as solely determined by Grantee, Grantor shall have the right to install, maintain and use gates across said openings. If said gates are locked, Grantor shall provide a multiple locking device for use by Grantee on any locked gates to allow for unrestricted access to said Easement Property.

Grantee shall have the right (but not the obligation) to trim, cut and clear away trees, brush or other vegetation within the Easement Property within 25.00 feet of transmission Pole No. 1, adjacent to the Priest Drive right-of-way, and Pole No 2, adjacent to the Rio Salado Parkway right-of-way, as depicted on the attached Exhibit A.

In the event Grantee records a document to formally abandon the easement granted herein, all Grantee's rights hereunder shall cease, except the right to remove any and all property placed upon the Easement Property within a reasonable time subsequent to such abandonment.

The covenants and agreements herein set forth shall extend and inure in favor and to the benefit of and shall be binding on the heirs, administrators, executors, personal representatives, legal representatives, successors (including successors in ownership and estate), assigns and lessees of the Grantor and Grantee.

The individual executing this document represents and warrants: (i) that he or she is authorized to do so on behalf of the Grantor; (ii) that he or she has full legal power and authority to bind Grantor in accordance with the terms herein and, if necessary, has obtained all required consents or delegations of such power and authority (whether from any partner, owner, spouse, shareholder, director, member, manager, creditor, investor, developer, governmental authority, judicial or administrative body, association, or other person or entity); and (iii) that the execution, delivery, and performance by Grantor of this document and all others relating to the easement will not constitute a default under any agreement to which Grantor is a party. The individual executing this document shall indemnify, defend and hold harmless Grantee for, from and against any and all losses, costs, expenses, liabilities, claims, demands, and actions of any kind or nature, including court costs and attorney's fees, arising or accruing as a result of the falsity of any of his or her representations and warranties contained in this document.
